Concert Series 2018-2019

We are still hopeful that we will be able to have the concert by Wayside Winds in the next few weeks.

If not, we will delay them until next season.

From the Book of Common Prayer, Page 531:

My Sister, the Church is the family of God, the body of Christ, and the temple of the Holy Spirit. All baptized people are called to make Christ known as Savior and Lord, and to share in the renewing of his world. Now you are called to work as pastor, priest, and teacher, together with your bishop and fellow presbyters, and to take your share in the councils of the Church.

As a priest, it will be your task to proclaim by word and

deed the Gospel of Jesus Christ, and to fashion your life in accordance with its precepts. You are to love and serve the people among whom you work, caring alike for young and old, strong and weak, rich and poor. You are to preach, to declare God's forgiveness to penitent sinners, to pronounce God's blessing, to share in the administration of Holy Baptism and in the celebration of the mysteries of Christ's Body and Blood, and to perform the other ministrations entrusted to you.

In all that you do, you are to nourish Christ's people from the riches of his grace, and strengthen them to glorify God in this life and in the life to come.

Not a day goes by that I do not think of the solemn vows I took as a Priest. I pray I have served each of you with love, honor and grace! Fill your heart with the love of God, given freely to you through the church and our Lord Jesus Christ.

Home Tour - 2019

The Biennial Highland County Historical Society Home Tour will be held on June 23 this year. There are 8 homes and 2 historic buildings on the tour. Watch for publicity! Tickets are \$20 for adults and \$5 for children and are available at Highland House, Warren Furniture, Cundiff's Flowers, Appearances Salon and Gibbs Insurance.

St. Mary's is on the tour this year and we need help. You will not have to lead tours, but just be available to direct folks and answer any questions they may have. The self-guided tour through the building will be led by information sheets posted at key spots to inform the visitors and then direct them to the next point of interest. To prepare you, we will provide this information to you prior to the tour, so you can familiarize yourself with the history and be able to easily find an answer if someone should ask something you don't already know. In addition, we will need someone to work in the History Room to handle any sales that may be needed. This will require about 10 to 15 minutes training—it is very easy. The computer figures the tax and even how much change to give. We don't anticipate a lot of sales, so the job will be very easy.

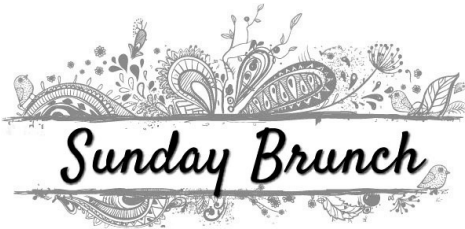

So, it's time to step up and **VOLUNTEER!** Contact John Glaze or Lynn Lowell. You can call the church office and leave a message, or email John at masmhillsboro@gmail.com. One of the perks of volunteering (based on past years) is that volunteers get to view the houses the evening before the event, so you don't have to miss the tour.

MAY NEWS

VBS: Theme: WHO IS YOUR NEIGHBOR? Monday (10th), Tuesday (11th), Wednesday (12th) in June! All children are invited. The Academy Preschool children will be join in the fun. Time: 3 pm-5pm. See Debbie with questions.

Highland County Historical Society is including St Mary's on their **Tour Of Homes** on June 23 from 12 noon until 5 pm. We will have guests in our church to enjoy the history and hospitality. See John Glaze or Lynn Lowell to volunteer.

If you have something to add to the church calendar, see Maggie or Bob Lowell. We are trying to produce a 3-month calendar for you so you know what is coming up!

SENIOR WARDEN REPORT

It's June already and time for another article for the Red Door. How time flies.

Your Vestry is trying very hard to think of events that our Church family will enjoy and attend. People are telling us that they are enjoying the monthly Brunches after the church service. Great time to visit, meet and get to know our church family. If you haven't attended a Brunch you're missing out on good fellowship and some really good food. The menu is always a surprise and that's part of the fun. Many thanks to John and Carol Joy for providing last month's delicious breakfast casseroles. Please say thanks when you see them. I have been asked by some of you how it is funded. So far, the food has been donated by the people who prepared and served it. But if you are not able to shop or cook, but would like to help to contribute to the Brunch there are other ways you can help. We have put a donation jar at the end of the counter. One person told me she would be glad to help host by donating financially. You might have a friend who is willing to share the work and cost and would welcome the opportunity to serve. If you would like to serve in this way call Lynn Lowell and let her know. Our hosts in June are Jennie and the Harner girls. Karen and Nelson Vlaskamp will be hosting in July. August is open. If everybody helps in a small way the work does not become a burden to a few.

Included in our upcoming events this summer is St. Mary's participation in the Tour of Homes. John Glaze and Lynn Lowell are co-chairing the event for our church and several volunteers will be needed to help in different areas of the church building. John has planned a "self guided tour" that will help with historical and interesting facts about each area. Please don't be shy and say yes if you are asked to participate. An Old Fashioned Ice Cream Social is also planned to be held in the front yard in July and an all Church Picnic later in the fall at Jennie Harner's home; date to be determined later. Keep checking the 3 month calendar in the Red Door for dates of all these events and please plan to attend.

I just want to say a special thanks to Kyle Lawson, all the Harner boys and Larry Wiley for the work done to the Church on the scheduled cleanup day. The weather wasn't the best, but the Church looked much better for Easter Sunday. I apologize if I missed anyone who helped, but thanks to you also.

We are getting estimates from several individuals for the work that needs to be done on the Telfair Room both inside and out. Our Church is very old and there are much needed repairs in several areas. As of now The Telfair Room is closed for use until the repairs are finished. Please observe the sign on the door. As always, we encourage anyone who would like to submit an article or words of support or inspiration to the Red Door to please do so. Just contact John Glaze for information of when and how to do so.

HYMNAL 101

As a closure to the lessons about our Hymnal 1982, did you learn anything you didn't already know? Do you think more about the hymns we sing and what all of the information you see on the page means?

Here is a short quiz for you to test your Hymnal 1982 knowledge!

1. Are words and music usually written by the same person?
2. Define "hymn tune".
3. What are the numbers with "S" in front of them?
4. I really like a certain hymn. How can I tell if there are more hymns written by the same person?

(continued on back page)

HYMNAL 101 *(continued)*

5. How can we tell if we can fit words from one hymn with the tune of another hymn?
6. How do hymns get into our hymnals?

That's enough quiz. You'll notice I didn't include the answers! If you want your answers graded, just let me know! I hope you enjoyed this tutorial on hymns and hymnals. The hymnal is like an encyclopedia in one volume.
